2020 Championship Season Entries NOW OPEN:

Our upcoming season entries are now open for all Junior and Senior competitions. Entries are due In by April 1st, 2020. If you are interested in making a team, re-entering a team or joining back up after time off then now's your chance. There is some big changes this coming season so we have put together an "entry pack" for you to look over prior to entering. This includes charges, competition dates, player insurances and PLAY HQ.

PLAY HQ:

This system is taking the place of the Sports TG or Sporting Pulse which we all know and have used for the past 6 years. Play HQ is made by Basketball for Basketball and once fully operational will serve Basketball in Victoria better. The system whilst in its early stages will be operational for what we need.

What does this mean for you and your team?

PLAYERS: This means each player does need to sign up or create an account. Takes two minutes to do and all your data from Sports TG will follow you across. If you have paid BVC insurance through till October 2020 you will not need to pay on Play HQ. Just make sure your first name, last name and Date of Birth is entered the same and it will recognise you.

TEAMS: Entries are now being taken directly through Play HQ. So setup your profile first (individual player profile) then simple click on the team entry link, choose your name, choose your competition and then hit submit! Its that simple but please note these are subject to change/grading prior to season starting.

Registering Players to a Team: once the team is submitted, this will generate a team rego code. All players should get this off the team contact and register straight into the team.

Play HQ Details, Insurance Links and Team entries are all on our website under the **LOCAL BASKETBALL** Heading. <https://www.ballaratbasketball.com/playhq/>
