

### **Position Description: Community Basketball Coach**

We are seeking a passionate and energetic Community Basketball Coach to guide and develop participants in our introductory basketball programs. The ideal candidate will have a background in playing or coaching basketball, coupled with strong verbal communication and organisational skills. A professional approach and a genuine passion for working with young people are essential.

### **Key Responsibilities:**

- Facilitate training sessions, drills, and games.
- Develop players' fundamental skills, teamwork, and sportsmanship.
- Deliver clear instructions and demonstrations to players.

### **Requirements:**

- Previous experience in basketball, either as a player or coach.
- Excellent verbal communication and organisational abilities.
- Enthusiastic, reliable, and committed to the role.
- A current VIC Working with Children Check (required for applicants over 18).

### **Program Times:**

- Aussie Hoops: Weekday after-school sessions
- School Hoops: During school hours
- Holiday Camps: School holidays
- Next Level: Weekday before-school sessions
- Mini Miners: During school hours

### **Rewards & Benefits:**

- Time is reimbursed as 'hobby income'
- Hourly reimbursement: \$25ph
- Valuable work experience in the sports industry
- Opportunities for personal development, including improved communication and leadership skills
